G INFORMATION FOR APPLICANT:

<p>1. Residential address For the purpose of distance verification, the residential address should be based on the Rural Road Numbering System. Mailbox addresses should not be used.</p> <p>2. Reimbursement Reimbursement for private car travel to the nearest school is made on the basis of the one-way distance travelled per vehicle and the number of students in that vehicle. Payment is made to the family operating the vehicle.</p> <p>3. Distance Distance is measured by the shortest practicable route between the student’s place of residence and their school, one way.</p>	<p>4. Vehicle rate The vehicle rate is determined by the distance between a student’s place of residence and their school. Where there is more than one student in a vehicle and the students attend different schools, the vehicle rate is based on the distance travelled to the furthestmost school. In this case, one student attending the furthestmost school is identified on the application form as the ‘furthestmost student’.</p> <p>5. Additional students payment Each extra student travelling in the vehicle will attract the ‘additional student’ rate of \$200.</p> <p>6. Schedule of rates:</p> <table style="margin-left: 40px; border: none;"> <thead> <tr> <th style="text-align: left;">Distance Kms</th> <th style="text-align: left;">Amounts per annum</th> </tr> </thead> <tbody> <tr><td>4.8–10</td><td>\$410</td></tr> <tr><td>>10–15</td><td>\$513</td></tr> <tr><td>>15–20</td><td>\$615</td></tr> <tr><td>>20–25</td><td>\$718</td></tr> <tr><td>>25–30</td><td>\$820</td></tr> <tr><td>>30–35</td><td>\$923</td></tr> <tr><td>>35</td><td>\$1025</td></tr> </tbody> </table>	Distance Kms	Amounts per annum	4.8–10	\$410	>10–15	\$513	>15–20	\$615	>20–25	\$718	>25–30	\$820	>30–35	\$923	>35	\$1025
