Friday 9th August – Curriculum Day – no school

Monday 12th August – Maths Information Night

Dear Parents/Carers,

What a wonderful term we have had. I hope that you all have a wonderful break. We look forward to seeing everyone again, refreshed and ready to learn for Term 3.

This newsletter is a celebration of the term.

We hope that you enjoy it!

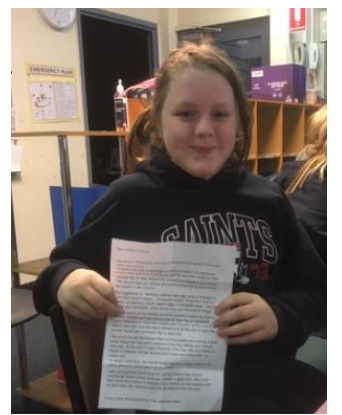

The Grade 1 students have been learning how to be detectives to find clues in their books! I love the dress-ups! Well done!

Some of the Grade 1 and 2 students were able to participate in our 'Song Room' learning where they wrote songs and performed for the Junior School.

Our teachers are constantly learning, and building their understanding around teaching and learning. One Saturday this term we held a leadership day for our School Improvement Team. Thank you to the team for all of your input!

Congratulations to Kailea. Kailea wrote a letter to our school council to suggest that we have a 'Nude Food Day' once a week starting next term. Kailea attended our school council meeting. Kailea was able to answer questions, and presented extremely well. Watch this space!

ENROL NOW FOR 2020!

Students have been working hard to keep our school yard clean. Thank you, girls! You did a great job!

We were very lucky with the weather when the Essendon Football Club came to talk to our students.

The students across the school thoroughly enjoyed learning about Indonesian culture on Indonesian Day!

It's always a delight to get children in the office to share their excellent work.

This is a serious case of the sticker-pox!

Great work, Kenzie!

Have a wonderful holiday, and we will see you all in Term 3! Thank you for a wonderful first semester 2019, everybody!

Congratulations to Stefanie and Kane on winning the Bin Competition. We are looking forward to seeing the finished bins next term. Thank you to the canteen for the \$25 gift cards, and thank you to Shane Graham for painting the bins!
