Dear Parents/Carers,

We have had a quiet end to the week this week with our Year 3 and 4 students attending Camp Sunnystones, and our Year 5 and 6 students attending the Whittlesea Secondary College production. I think the children left at school particularly enjoyed Wednesday where they had lots of space to play.

Please remember to look at the dates on the left of this page to ensure that you are keeping up to date with the latest events across the school.

**Trivia Night:**

We still have a few tables left to fill for our Trivia Night. One of our parents has very kindly made a coffee table which will be raffled off on the night. If you would like to see the coffee table, please ask at the office.

**Maths Family Night:**

Thank you to all the families who joined in the fun at our Maths Games Night. We hope that you enjoyed yourselves too and learnt how to play a few new games.

**Swimming:**

Our Swimming Program starts next week. Please ensure that your child wears their swimming costume to school underneath their school uniform, as there is only a short time to get changed for swimming.

**New enrolments for 2020:**

You may have noticed the new advertising boards on streets around our school. If you have a child attending next year, or know of a family needing to enrol, please ensure they do this as soon as possible as we are beginning to organise our Prep Orientation Night and transition sessions. Check our school zone at: <https://www.findmyschool.vic.gov.au/>

**Prep Transition and Information Night:**

We are excited to announce the dates and times for our Prep Orientation sessions and Information Night. Please put the following dates on your calendar:

30<sup>th</sup> October – 6:30pm – Prep Information Night

21<sup>st</sup> November – 9:30am – 10:30am – Orientation morning – all new Preps for 2020

28<sup>th</sup> November – 9:30am – 11am – Orientation morning – all new Preps for 2020

5<sup>th</sup> December – 9:30 – 11am – Orientation morning – all new Preps for 2020

**Solar Panels:**

You may have noticed that the solar panels on Rooms 13 and 14 have now been installed. The areas between these portables are still out of bounds until further notice. We are hoping the generator will be gone soon.

**Sun Smart:**

Spring is well and truly here. Please make sure your child has their sun hat at school, and sun screen if required. Anyone without a hat will be asked to stay in the Shelter Shed or the Rubber Area.

**RICH Values:**

Our school has four values which we encourage all children, parents and community to adhere to. They spell RICH – Respect, Independence, Cooperation and Honesty. One of our Grade 3 students has created a piece of writing about our values. Thank you Santino.

## How to be a RICH STUDENT

1. Listen to the teacher, at all times.
2. When someone else is talking you need to listen.
3. Show Respect-Independence-Co-operation-Honesty.
4. Do your school work so you can get a TOKEN, and a piggy for your class.
5. Make new friends all the time so you can play with them.
6. Be nice to friends and others.
7. Treat people how you want to be treated.
8. Make sure you show whole body listening.
9. Don't bully people even if they're not your friends.
10. Make sure you work collaboratively with each other.
